

Wesley Mission
Christmas Appeal 2026
Reverse Advent Calendar

Instead of receiving, we give. Each day leading up to Christmas, add a non-perishable item, a small gift, or a note of kindness. These will be distributed to those in need through Wesley Mission.

If you would like to get involved in this project you can start your own Hamper at home and deliver it to our Church on or before
Sunday 29th of November.

If you would like to donate just one or a few items to this worthy project you can leave the donated items in the marked box inside the Church Hall.
